

## Stallion Donation for ATA Convention Silent Auction

I \_\_\_\_\_ owner/agent for stallion \_\_\_\_\_ agree to donate a breeding contract to the American Trakehner Association for the 2007 ATA Convention Silent Auction. This breeding contract will have a minimum bid of \$500. I understand that if the breeding does not sell in the 2007 silent auction that the ATA has the right to try to sell the same breeding contract the following year, 2008.

For this donation I will receive a Platinum sponsorship for the 2007 convention and all of the perks that go with that level of sponsorship. Should the breeding contract not sell in 2007 I will receive a sponsor and stallion listing on the convention website, a listing in the program and on signs at the 2008 convention but no other benefits of sponsorship.

I understand that if I do not meet the 2007 deadline for advertising, which is a part of the Platinum sponsorship, my ad will not be included in the program. This artwork deadline is **October 1, 2007**.
